4. Meet with a counselor/advisor:
 - Check with the deans' offices or the registrar's office for a list of advisors.
 - The counselor/advisor helps the student with the following:

In order to register for classes, the following are general registration procedures:

1. Pick up a Class Schedule. (Schedules are generally available during mid-semester for the following semester).
2. Pick up a Class Schedule and obtain registration papers from the registrar's office in the White Administrative Services Center.

2. Are you knowledgeable of your Degree Plan? Have you chosen a major or changed your major?
 - In any case, you may choose to see a counselor or advisor for Degree Plan information, advisement on course selections, information and referral help with choosing or declaring a major, transfer information, graduation requirements, and other academic issues.

2. Pick up a Class Schedule and obtain registration papers from the registrar's office in the White Administrative Services Center.

Students who "swap" credit hours (exchange one three-hour course for another three-hour course) may do so without a monetary drop penalty. The even exchange applies **only** if the course add and drop are presented to the registrar at the same time. Additional lab fees may apply and must be paid on day of change.

First time students who completely withdraw on or before the 60% point in time of the enrollment period must receive a statutory pro-rata refund. Monies from the refund must be returned to the agency or aid program.

Weekend College and Special Terms

The above dates and policy will apply to the Weekend College program and special terms, regardless of the actual start dates of classes.

Special Notes

It is the student's responsibility to drop courses. The dates used for determination of refunds are those entered by the Registrar's Office when the drop slip is received and processed by them. **Refunds will be applied to outstanding debts owed to Tyler Junior College. Unpaid student accounts may be turned over to a collection agency.**

Additional fees must be paid in the cashier's office the same day as adding and changing courses to reserve your schedule. All courses in which a student is enrolled will be dropped for non-payment, if 100% of tuition and fee charges are not paid.

The refund policy is subject to change by the vote of the Tyler Junior College Board of Trustees or the legislature of the State of Texas.

Refund Policy (8-Week/Special Terms Only)*

Refund payments will be mailed to the student's permanent address 2-4 weeks after the fourth class day. Refunds are mailed on a weekly basis, alphabetically.

Special terms dates are listed. Tuition will be calculated on these dates, regardless of the day classes begin.

Tax Benefits for Students

Independent students and parents of dependent students should be aware that a number of educational tax benefits may be available to them when filing their federal income tax returns. Because deductions available vary widely according to individual circumstances, you should consult your tax advisor to see if any benefits are available to you. Information and applicable tax forms are also available at your local IRS office. The following list provides the common types of possible benefits about which you may want to inquire: (1) The HOPE Scholarship Tax Credit and/or Lifetime Learning Credit (TJC mails a Form 1098-T to students' permanent addresses in January); (2) Exemption of Employer-Provided Assistance; (3) Exemption of Scholarships and Tuition Remission; and (4) Deduction of Student Loan Interest.

Shaded room locations indicate classes scheduled at TJC Regional Training and Development Complex (RTDC), 1530 SSW Loop 323.

This schedule of classes is subject to change, including assignment of instructors, class locations and cancellations.

Accommodations for the Student with a Disability

- ◆ Hearing
- ◆ Physical Disability
- ◆ Psychological/Emotional Disability
- ◆ Vision
- ◆ Reading Disorder
- ◆ Speech/Language
- ◆ Learning Disorder
- ◆ Neurological Disorder
- ◆ Other Disabilities

Tyler Junior College welcomes students with disabilities who have the potential for academic success in the post-secondary educational environment. To request accommodations, the student with a disability should arrange an appointment with a support services counselor to obtain the Request Accommodations Form (RAF). Appropriate documentation of physical or psycho/educational evaluation that meets TJC guidelines or a referral from an appropriate rehabilitation agency (Texas Rehabilitation Commission or the Texas Commission for the Blind) that clearly documents the disability and supports the need for accommodations must be submitted before any accommodations can be arranged. Students are encouraged to apply for assistance with Support Services four weeks prior to the beginning of the semester to allow for time for adequate coordination of services.

Prospective and current students, parents or others who seek additional information regarding Support Services should call: Voice 903-510-2395 or TDD 903-510-2394. Support Services is located on the second floor of the Rogers Student Center.
